

ALLEGED SHIPMENT: On or about December 2, 1949, by Pure Fruit Juices, Inc., from La Habra, Calif., to Wenatchee, Wash.

PRODUCT: 399 cases, each containing 48 6-ounce cans, of orange juice at Seattle, Wash.

LABEL, IN PART: "Cedergreen Brand Frozen Fresh Concentrated Orange Juice."

NATURE OF CHARGE: Misbranding, Section 403 (a), the label statements "Frozen Fresh Concentrated Orange Juice * * * Makes 1½ Pints * * * Fill This Can With Cold Water 3 Times, Add To Concentrate * * * Quick Frozen To Retain The Natural Flavor And Abundant Vitamin C" were misleading since they represented and suggested that the article was concentrated orange juice and that when diluted as directed, it would make a product equal in orange juice solids and vitamin C to that of orange juice, whereas the article contained added sugar and the diluted product would contain only about 71 percent of the orange juice solids and vitamin C present in orange juice.

DISPOSITION: August 7, 1950. The Cedergreen Frozen Pack Corp., Wenatchee, Wash., claimant, having consented to the entry of a decree, judgment of condemnation was entered and the court ordered that the product be released under bond for relabeling, under the supervision of the Federal Security Agency.
